

COMMITTED TO DELIVERING THE HIGHEST STANDARD OF FACILITY SERVICES

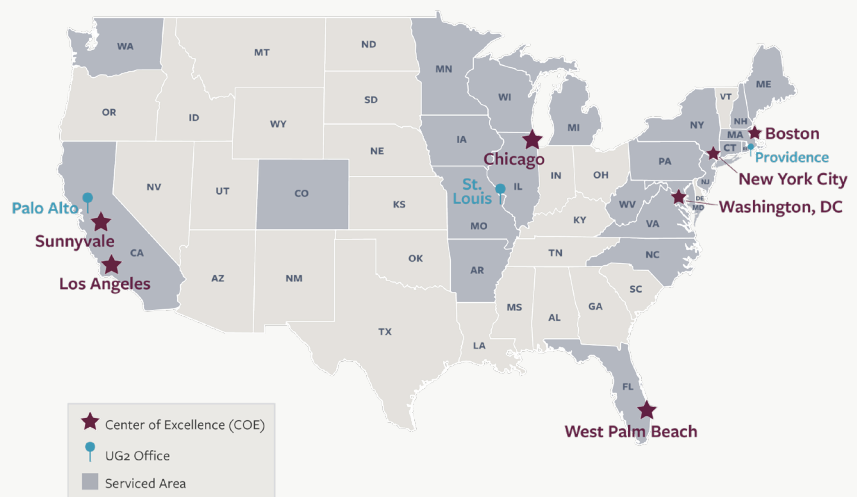

FOCUSED ON 5-STAR SERVICE SINCE DAY ONE

When Louis J. Lanzillo, Jr. founded UG2 in 2012, he didn't have a single customer—just a strong vision for his company and a few great partners. Fueled by rapid organic growth, they helped build one of the most dynamic facility services organizations in the United States. But the fact is, we're just getting started. We're committed to continuous improvement because we know that complacency leads to mediocrity.
